

Oh Olympic Flame

Singer-Songwriter
Laure et Franck DESBRE
English Lyrics : adaptation Anne Festas

Refrain:

*Oh Olympic flame,
Emblem of the Games,
Announcing to us all
Where summer's Games will fall.
Oh Olympic flame,
Symbolic of the Games,
For our athletes you burn
To encourage them in turn.*

Verse 1 :

You will shine in our minds,
Bringing sweetness all the time.
We'll depend on your light,
All the year you're our delight.
As a message of peace,
Love and friendship will not
cease.
All the way from Mount Olympus
In Paris (French pronunciation)
you come to greet us.

Refrain

Verse 2 :

As you cross our countryside
We'll be singing by your side.
In the eyes of the world
Lovely France will be unfurled.
Five rings floating in the sky,
On the flag flying high,
Showing continents galore
As we progress more and more.

Refrain X2
