

# ENIGME N°2

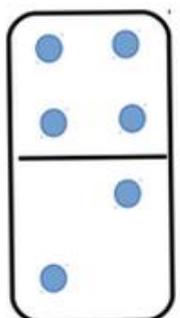

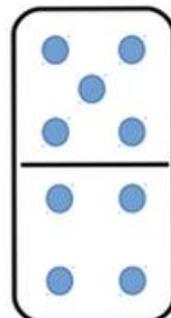

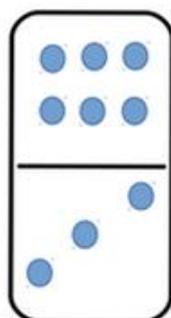

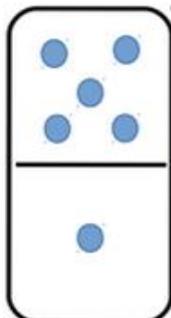

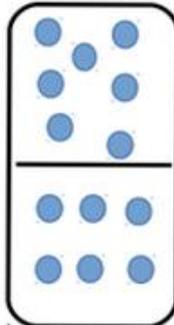

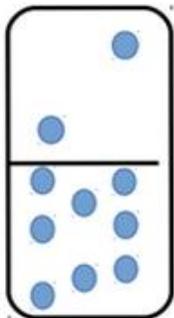

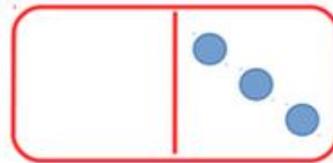

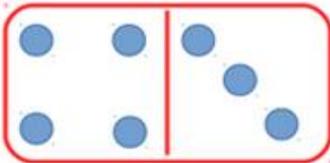

DEPART

Les faces du domino qui se touchent font 5.  
Place les dominos correctement.

# ENIGME N°2

Les faces du domino qui se touchent font 8.  
Place tous les dominos correctement. Trouve la solution.

## ENIGME N°2

Les faces des dominos qui se touchent font 20.  
Tu dois mettre six dominos entre les deux qui sont déjà placés.  
Les dominos ne peuvent pas être retournés.
