**Texte raconté :**

Mr Wolf is very hungry.

He would love some pancakes.

But he can't read the recipe book.

He can't write the shopping list.

He doesn't have a basket.

He can't count the money.

He can't cook.

Mr Wolf needs help.

He goes to see his neighbours and he asks : « Can you help me ? »

They reply : « No ! »

So, Mr Wolf reads all by himself. He writes the shopping list all by himself. He counts the money all by himself. And he cooks all by himself.

His neighbours smell the pancakes.... They want some pancakes :

« Give us some pancakes! »

Mr Wolf replies : « No ! »

He thinks very hard.... they come in the kitchen and Mr Wolf gobbles (eats) them.  
It's delicious !
