

Olympic Race

Standing and waiting for the race to begin
I'm getting quite nervous
Am I going to win?

Crouching down low, I wait for the gun
Bang! There it goes
We're starting to run.

My heart is pounding; I'm going to burst
Come on legs keep going!
I want to come first.

Just one last effort, I pass the line
Am I first, last, where am I?
What's my time?

I stand on the podium, proud and bold
I'm wearing my medal
An Olympic gold!
